MONSTER MASH

C Am F G

I was working in the lab late one night
When my eyes beheld an eerie sight
For my monster from his slab began to rise
And suddenly to my surprise

CHORUS

He did the mash He did the monster mash
The monster mash It was a graveyard smash
He did the mash It caught on in a flash
He did the mash He did the monster mash

From my laboratory in the castle east
To the master bedroom where the vampires feast
The ghouls all came from their humble abodes
To get a jolt from my electrodes

CHORUS

F G
The zombies were having fun The party had just begun

E G
The guests included Wolf Man Dracula and his son

The scene was rockin', all were digging the sounds
Igor on chains, backed by his baying hounds
The Coffin-Bangers were about to arrive
With their vocal group, "The Crypt-Kicker Five"

CHORUS

Out from his coffin, Drac's voice did ring
Seems he was troubled by just one thing
He opened the lid and shook his fist
And said, "Whatever happened to my Transylvania twist?"

CHORUS

Now everything's cool, Drac's a part of the band
And my monster mash is the hit of the land
For you, the living, this mash was meant too
When you get to my door, tell them Boris sent you

LULLABY (The Cure)

Em C x 4

(Em)

On candystripe legs spiderman comes,

(C)

Softly through the shadow of the evening sun

(Em)

Stealing past the windows of the blissfully dead

(C)

Looking for the victim shivering in bed.

(Em)

Searching out fear in the gathering gloom,

(C)

And suddenly! A movement in the corner of the room!

(Em)

And there is nothing I can do when I realise with fright

(C)

That the spiderman is having me for dinner tonight!

Em C x 2

Quietly he laughs, and shaking his head

Creeps closer now, closer to the foot of the bed,

And softer than shadow and quicker than flies,

His arms are all around me and his tongue in my eyes...

"Be still, be calm, be quiet now, my precious boy,

Don't struggle like that, or I will only love you more,

For it's much too late to get away or turn on the light;

The spiderman is having you for dinner tonight!"

(Am) And I feel like I'm being eaten

By a thousand million shivering furry **(C)** holes,

(Am) And I know that in the morning

I will wake up in the shivering **(C)** cold...

And the spiderman is always **(Em)** hungry...

Em C x 2

Finish on C

WEREWOLVES OF LONDON

D C G

I saw a werewolf with a Chinese menu in his hand
Walking through the streets of Soho in the rain
He was looking for a place called Lee Ho Fook's
Gonna get a big dish of beef chow mein

Aaoooooo! Werewolves of London! Aaoooooo! X2

If you hear him howling around your kitchen door
Better not let him in
Little old lady got mutilated late last night
Werewolves of London again

Aaoooooo! Werewolves of London! Aaoooooo! X2

He's the hairy-handed gent who ran amuck in Kent
Lately he's been overheard in Mayfair
Better stay away from him
He'll rip your lungs out, Jim I'd like to meet his tailor

Aaoooooo! Werewolves of London! Aaoooooo! X2

Well, I saw Lon Chaney walking with the Queen
Doing the Werewolves of London
I saw Lon Chaney, Jr. walking with the Queen
Doing the Werewolves of London
I saw a werewolf drinking a pina colada at Trader Vic's
And his hair was perfect

Aaoooooo! Werewolves of London! Aaoooooo! Etc

THRILLER

Am C C D Am Am D7 (repeat these 2 chords for a bit)

Am D7 Am D7
It's close to midnight, and something evil's, lurking in the dark.

Am D7 Am
Under the moonlight, you see a sight, that almost stops your heart.

D7 Am
You try to scream, but terror takes the sound, before you make it.

D7 Am
You start to freeze, as horror looks you right between the eyes;

Em
You're para-lyzed.

Am C C D Am D7 Dm
'Cos this is; Thril-ler, Thril-ler Night; And no one's gonna save you from the beast about to strike.
Am C C D Am D7 F D7 Am D7 Am

D7
You know it's; Thril-ler, Thril-ler Night; You're fighting for your life, inside a killer, Thriller, to-night.

You hear the door slam, and realise there's nowhere left to run.
You feel the cold hand, and wonder if you'll ever see the sun.
You close your eyes, and hope that this is just imagi-nation.
But all the while, you hear the creature creepin' up be-hind; You're out of time.

'Cos this is; Thriller, Thriller Night; There ain't no second chance to kill the thing with forty eyes, girl.
You know it's; Thriller, Thriller Night; You're fighting for your life, inside a killer, Thriller, tonight.

D7 Am
Night creatures call and the dead start to walk in their masquerade.

D7 Am D7 Em
There's no escapin' the jaws of the alien, this time; This is the end of your life.

They're out to get you; there's demons closing in on every side.
They will pos-ess you; unless you change the number on your dial.
Now is the time, for you and I to cuddle close to-gether.
All through the night, I'll save you from the terror on the screen; I'll make you see...

That this is; Thriller, Thriller Night; 'Cos I can thrill you more than any ghost would dare try.
Thril-ler, Thril-ler Night;

D7 F D7 F D7 Am
So let me hold you tight, and share a killer, Diller, chiller, Thriller here to-night.

That this is; Thriller, Thriller Night; 'Cos I can thrill you more than any ghost would dare try.
Thriller, Thriller Night; So let me hold you tight, and share a killer, thriller, ow!

Am F D G (repeat to the end under the spoken bit)

"THRILLER" "OH DARLING" "I'M GONNA THRILL YOU TONIGHT" etc

THRILLER

(VINCENT PRICE SPOKEN BIT)

Am F D G played quietly behind the words

Darkness falls across the land,
the midnight hour is close at hand.

Creatures crawl in search of
blood,
to terrorise your
neighbourhood.

And whosoever shall be found,
without the soul for getting down,
Must stand and face the Hounds of Hell
and rot inside a corpse's shell.

"THRILLER" "OH DARLING" "I'M GONNA THRILL YOU TONIGHT" etc

The foulest stench is in the air;
the funk of forty thousand years,
And grizzly ghouls from every tomb,
are closing in to seal your doom.
And though you fight to stay
alive;
your body starts to shiver,
For no mere mortal can resist, the evil of

The THRILLER !

Muhahahahahahahahaha
